From the Office of Rio Arriba County Clerk, Linda J. Padilla

Greetings,

I have been with the Rio Arriba County for 10 years and in the County Clerk's Office for the past 8 years. My promise is to continue to provide fair and honest elections, transparency and professionalism to all customers, and to maintain the accuracy and integrity of this office.

My staff and I are committed to treat each citizen with courtesy, professionalism and respect. All voters should feel confident in the accuracy of our voting systems and in the voting process itself. My staff and I continue to strive for excellence and will continue to ensure the secrecy of your vote. Voting is a privilege, and each voter should remember this his or her vote is very important. My hope is to visit each precinct, school and Senior Center to meet with my constituents to inform them of the duties of my office and to meet and introduce myself.

As the custodian of Rio Arriba records the archival of our history is very important to me and I am proud to be a part of that vast and rich history. I am committed to preserving this history through modern technology. My staff and I have been working hard to get the old documents scanned into electronic files, which will make it easier for researching. My vision is to empower my staff with the tools, knowledge and confidence to do their jobs.

Duties and Responsibilities of my office:

- Maintaining Public Records both in Espanola and in Tierra Amarilla
- Marriage Licenses
- Elections
- Clerk for the Probate Court
- Ex-Officio Clerk of the Board of County Commissioners
