

Pursuant to 1-6-22.1 NMSA 1978, Precinct 34 (Los Pinos) and Precinct 29 (Lybrook) are now listed as All Mail Election Precincts. Voters from these two precincts are now mail ballot election precincts and will be handled as absentee voting in lieu of polling place. Our office has sent notification to the voters in these precincts that they have been designated all mail election precincts. This means that those precincts will no longer house a polling location on Election Day.

If a voter from these two precincts prefers to vote at an Early Voting Location *prior to Election Day* or if the voter wants to vote at a Voting Convenience Center *on Election Day* ---

The voter shall respond to the letter sent to them by the County Clerk asking if they want to have an absentee ballot mailed to them. If the voter declines the mailed absentee ballot by ***responding with the letter as instructed***, then the voter may vote at one of the Early Voting Locations prior to the election or at one of the designated Rio Arriba Voting Convenience Centers (VCC) on Election Day. See the Clerk's website page for a list of the Polling Sites and additional election information.
