

Jeremy G. Maestas
PARKS & RECREATION DIRECTOR

Rio Arriba County Parks & Recreation Department

April 8, 2019

Greetings Everyone,

It is with sincere regret that the Rio Arriba County Parks & Recreation Department announces that Rio Arriba County will not be hosting the Summer Food Service Program during the summer of 2019. This has been an extremely difficult decision, however due to the low participation and cost to the County, fiscally we cannot continue running this program at the current time.

We want to graciously thank all our participants and those who have participated in the County sponsored SFSP throughout the years in order to help provide nutritious meals to children throughout the county during the summer months.

We would also like to inform the public that the Española Public Schools along with the Escalante School District are looking at sponsoring Summer Food Service Programs through their respective sites during the summer of 2019. We encourage those individuals wanting to participate in the 2019 SFSP to reach out to one of those mentioned entities regarding Summer Meal services for eligible participants.

As we move forward the County may consider the possibility of running this program again in the future. As always we thank you for your understanding and should you have any additional questions or concerns regarding this matter please contact the Parks & Recreation office at 505-753-6663 during normal office hours. Thank you.

Respectfully,

Jeremy G. Maestas
Parks & Recreation/SFSP Director
