

IMMIGRANTS COUNT

Rio Arriba County has been actively working with the Attorney General's office to oppose the recent Presidential Memo requesting undocumented immigrants not be included in apportionment and census data. We believe it's support for our stand against this support, a resolution approved on Tuesday, county to stand up for The resolution opposes and outlines the legal Memo. Ample

Constitution and affirmed by our Supreme Court that all people regardless of legal status are included in our census count. The Attorney General's Office for New Mexico has joined a coalition of 21 states, 9 cities and 4 counties in a lawsuit challenging the Presidential Memo.

included in apportionment and census pivotal to clearly and loudly show our immigrant residents and to take a effort. With unanimous commission affirming our immigrant count was July 28, making Rio Arriba the first immigrant rights and their inclusion. the Presidential Memo issued July 21 basis for challenging the Presidential precedent has been established in our
