

# Rio Arriba County

149 State Road 162  
Tierra Amarilla, NM 87575  
(575) 588-7254  
Procurement: Bonnie Brown Cordova

September 6, 2023

## TO ALL HOLDERS OF SOLICITATION DOCUMENTS FOR:

### Request for Proposal No. 23-14

**RFP Name: Ortho and Oblique Imagery for Geographic Information System (GIS)**

#### Pre-Bid Proposal Questions

1. Would you please provide a shape file of the areas of interest? This will enable us to provide the most accurate and advantageous price estimate. **The map is intended solely for illustrative purposes. It will be necessary for us to convene with the vendor who has been awarded the project in order to obtain a more precise measurement of the area.**
2. Would you please extend the submittal deadline by a week or two? **As this matter is time-sensitive, we would prefer not to extend the submission deadline.**
3. Does the County have previously collected oblique imagery for the entire area of interest, or is this a first-time collection? **The County has previously conducted aerial surveys of certain regions of significance.**
4. Would you please clarify the meaning of "FBCAD" referenced twice on page 7 of the RFP? **The correct terminology for the aforementioned is "RAC parcel file and CAD file(s)." An addendum shall be issued to rectify this matter.**
5. The acknowledgement of receipt form indicates that the RFP has appendices A-F. However, the copy of the RFP we received only goes to Appendix C, not Appendix F. Could you please send the full RFP and any other associated documents? **An error has been identified in the Request for Proposal (RFP) document. To rectify this error, an addendum will be issued. It should be noted that the RFP only extends up to Appendix C.**
